The strength of a national company with local customer service.

Pavestone, LLC began in 1980 with one manufacturing facility in North Texas. From the beginning, we dedicated ourselves to delivering the greatest selection and the highest quality of segmental concrete systems available in the U.S. Our pave stones, retaining walls, edgers, patio stones, and erosion control systems transform landscapes into beautiful dreamscapes. Today, Pavestone brand products are manufactured in 16 state-of-the-art facilities delivering to more than 40 states. Thank you for choosing our products to add beauty and value to your landscape.

WHAT WILL YOU CREATE?

Forward

We wrote the book on creating elegant outdoor living spaces.

Inside its pages you will find beauty, strength, durability and functionality. But our book is not just about us. Your project is one of the stories that we are proud to include in its pages. Let us help you construct outdoor living spaces that invite people to come outside to relax or entertain in natural settings that preserve the Earth. Tell a story that lends a feeling of warmth and serenity to the atmosphere and creates a lifestyle that is one-of-a-kind. The sky is the limit. You have unlimited potential to compose that story. What will you create?

A wide-angle photograph of a large, modern swimming pool. The pool features a central waterfall cascading into a circular fountain. The surrounding deck is paved with large, irregular stones in shades of tan, brown, and grey. In the background, there's a stone pavilion with a red-tiled roof and a glass door, surrounded by trees and a fence.

COLORS AND FINISHES

Colors and Finishes

Pavestone continues to set the standard for creative application of interlocking concrete paving stones by offering a vast array of colors and finishes.

On larger projects, we can work with your design team to create custom colors to meet your design intent.

Finishes Available:

Standard – Traditional machine molded finish with beveled edges.

Heritage™ Series – Tumbled finish reminiscent of old world European charm.

Platinum™ Series – Smooth finish with a fine gradient texture allows for a brighter color presentation and color endurance.

Chapter One

Pavers

**Does your story tell of the stately look of old
yesterday or of a contemporary flair?**

The possible applications for pavers are only limited by your imagination. Maximize your outdoor living experience with a design that is all your own. Create a scenic walkway in a beautiful downtown park. A variety of hues and textures allow you to have unlimited possibilities to both complement and enhance the natural beauty of any surrounding while being friendly to the environment. From palatial outdoor entertaining areas to pool decks with a relaxing spa-like feel, you can count on unsurpassed strength and flexibility. Concrete pavers can withstand the forces of weather, water, and traffic. Plus, they are especially designed to withstand freeze-thaw conditions, making them a good choice for cool, as well as, warm climates. Your design project will be as beautiful years from now as it is the day it is installed, telling your story again and again.

PLAZA STONE

A paved driveway made of rectangular pavers leads from the foreground into a landscape. On either side of the driveway are large, ornate, gold-colored urns filled with greenery, resting on low stone pedestals. A wooden fence runs along the left side of the path. The background features a grassy field and a line of trees under a clear blue sky.

STOCK PAVER COLLECTION

Venetian Stone™ Heritage™ Series

60mm

The Venetian Stone™ product advent is the latest development in enhanced pavements.

It's uniquely attractive cleft surface sets it apart from other pavement treatments. This texture resembles old world charm and invokes a traditional convention. The Venetian Stone™ larger scale lends itself to stately residential setting and more expansive commercial applications. It's modular pattern equalizes the scale of any project and is fitting to most any architectural elements.

Combo Rec & Sq.: Rec.: 5 13/16" W x 8 3/4" L, Sq.: 5 13/16" W x 5 13/16" L,

60mm = 2 3/8" H

Plaza Stone Giant

60mm

Installed alone or in combination with the variety of other Plaza Stone shapes, the expanded dimensions of the Plaza Giant paver adds visual drama to larger outdoor spaces.

Select from multiple color options and standard or Heritage™ Series finishes.

8 3/16" W x 10 15/16" L

60mm = 2 3/8" H

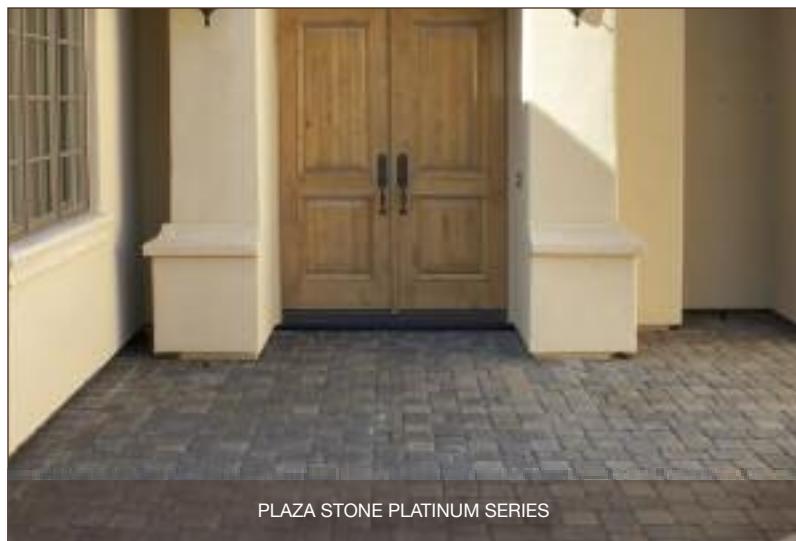

PLATINUM SERIES

Platinum Series

Pavestone's Platinum Series brings a newly defined finish and color to concrete pavers. This series offers superior surface texture. Match your pavers to the color you need with our Build-to-Order pavers.

The Platinum surface is comprised of finer gradation materials produced by Pavestone's state-of-the-art production equipment. This finer surface material provides a more uniform surface appearance and color. The high density surface creates a greater visual impact and tighter texture matrix which has demonstrated higher resistance to wear and color longevity.

PLAZA STONE PLATINUM SERIES

VENETIAN STONE™ PLATINUM SERIES

Please contact your local sales Representative for additional paver profiles, colors and lead time.

Colors printed here are as true a match as the printing process will allow. For best matching results, please refer to actual samples.

CUSTOM PAVERS COLLECTION

ADA Compliant Paver

The preferred paving alternative to typical ADA compliant surfacing, Pavestone's ADA Paver features truncated domes.

The domes are designed to alert pedestrians and motorists of potentially dangerous situations.

3 7/8" W x 7 13/16" L
60mm = 2 3/8" H

Adirondack Heritage™ Series

This captivating paving stone features the historic combination of square and rectangular modules working in tandem to create a random segmental paving surface.

While its unique and distinct cast edge treatment sets this stone apart from its class, Adirondack's textured surface creates the feel of old cobble paving.

Sm. Rec.: 5 1/2" W x 4 11/16" L, Med. Rec.: 5 1/2" W x 6 11/16" L

Lg. Rec.: 5 1/2" W x 7 13/16" L, XL Rec.: 5 1/2" W x 9 3/8" L

Sm. Rec., Med. Rec., Lg. Rec., XL Rec. (Bundled Together), Giant: 9 3/8" W x 11" L

60mm = 2 3/8" H

Bishop's Hat

The Bishop's Hat consists of two geometric concrete pave stones that offer a vast array of design possibilities. The two shapes modulate together to form a beautiful kaleidoscope of pattern options.

Designs are further enhanced when contrasting colors are used. A distinctive paving product, the Bishop's Hat adds a distinguishing complement to any project.

7 3/8" W x 11 1/8" L
60mm = 2 3/8" H

3 7/8" W x 3 7/8" L

City Stone™ Series I & II

60mm & 80mm

Available in a variety of finishes, the City Stone™ Series brings scale and dimension to architectural settings.

City Stone™ can be used alone or in combination modules of symmetrical squares and rectangular shapes to create extraordinary patterns and endless designs. City Stone™ Series is available in seven (7) sizes.

City Stone™ I
5 13/16" W x 11 3/4" L
60mm=2 3/8" H
80mm=3 1/8" H

City Stone™ II -
1/2 Sq. & Sq.

60mm = 2 3/8" H

City Stone™ V

7 13/16" W x 7 13/16" L
60mm = 2 3/8" H
80mm = 3 1/8" H

Coping Stone

60mm

The Coping Stone is designed to complement any concrete pave stone application.

Coping Stone can be used for pool coping, step treads, and decorative patio borders. It allows the designer consistency in artistic expression and ease of installation. Now you can have the confidence that your design intent will parallel the finished project.

3 1/2" W x 9" L
60mm = 2 3/8" H

3 7/8" W x 14" L

DecoraStone™

60mm & 80mm

A worldwide favorite for many years, DecoraStone™ combines two distinct shapes in one pave stone for a classically elegant pattern.

Timeless in its appearance and equally attractive in contemporary or traditional settings, DecoraStone™ creates a beautiful, durable, and virtually maintenance-free surface for a wide array of paving projects.

5 3/8" W x 8 15/16" L
60mm = 2 3/8" H
80mm = 3 1/8" H

Plaza Stone Recs & Squares

45mm & 80mm

Plaza Stone is great for pedestrian projects, such as patios, walkways, pool decks, and courtyards, and can be enhanced with the use of Pavestone's thinner profile concrete pavers.

The 80mm thickness is suited for vehicular traffic of driveways and streetscapes.

Large Rec.: 5 7/16" W x 8 3/16" L

Sq.: 5 7/16" W x 5 7/16" L

45mm = 1 3/4" H

80mm = 3 1/8" H

Plaza Stone III Fan Pack

60mm

Plaza Stone Fan Pack creates a gentle and warm effect by combining the soft curved edges of the stones.

Available in many colors, choose Plaza Stone III Fan Pack in standard or Heritage™ Series finish to deliver unlimited design possibilities.

(Bundled Together)

Center Rec: 2 11/16" W x 5 1/2" L

Lg. Center Wedge: 6 1/4" W x 5 1/2" L

Left Wedge: 3 1/16" W x 5 1/2" L

Right Wedge: 3 1/16" W x 5 1/2" L

60mm = 2 3/8" H

Plaza Stone IV Circle Pack

60mm

Dramatic circular patterns are easy to achieve with the multi-shape Plaza Stone IV Circle Pack. Great for defining outdoor living spaces.

Available in many colors, choose Plaza Stone IV Circle Pack in standard or Heritage™ Series* finish to deliver unlimited design possibilities.

Center Stone: 2 11/16" W x 5 1/2" L, Lg. Cir. Wedge: 6 1/16" W x 5 1/2" L

Sm. Cir. Wedge: 4 9/16" W x 5 1/2" L, Sm. Cir. Rec.: 2 11/16" W x 5 1/2" L

Lg. Cir. Rec.: 4 1/8" W x 5 1/2" L

60mm = 2 3/8" H

Available in Standard and Heritage™ Series Finish.

Holland Stone

45mm & 80mm

The thin profile version of the very popular Holland Stone is perfect for residential and commercial non-vehicular applications.

The stouter 80mm thickness is suited for vehicular traffic of driveways and streetscapes.

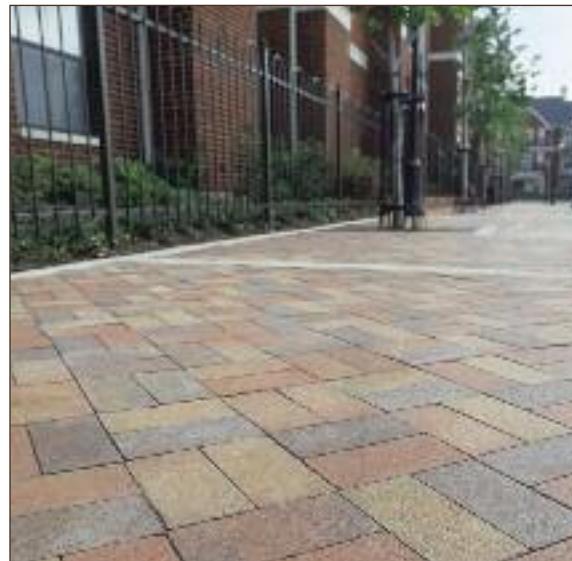

Also available in Heritage™ Tumbled.

3 7/8" W x 7 13/16" L

45mm = 1 3/4" H

80mm = 3 1/8" H

Holland Stone Parkway™ Series

60mm & 80mm

The Holland Stone Parkway™ Series pavers capture the timeless elegance of simplistic design. Straight, defined edges are unique to this paving stone.

The finish is renowned for its captivating fine gradient texture, bright color presentation, and endurance. Its rectangular appearance is simple, yet capable of meeting the creative and aesthetic demands of architects and designers.

3 7/8" W x 7 13/16" L

60mm = 2 3/8" H

80mm = 3 1/8" H

Holland Stone

60mm

With the renown durability of interlocking pave stones, Holland Stone offers the old world charm of a simple paver shape.

The rectangular shape can be installed in a number of fascinating patterns to produce simple or intricate designs.

3 7/8" W x 7 13/16" L

60mm = 2 3/8" H

Symetry™
60mm & 80mm

Enjoy unlimited design possibilities with the innovatively shaped Symetry™ pave stone and its coordinating square.

The assembly of shapes furnish endless pattern configurations. This potpourri of patterns enables the designer to implement signature designs into their projects with a most unique, creative, and formal appearance.

4 1/8" W x 11 1/8" L

5 13/16" W x 5 13/16" L

60mm = 2 3/8" H
80mm = 3 1/8" H

Venetian Stone™ Heritage™ Series
45mm & 80mm

Pedestrian projects such as patios, walkways, pool decks, and courtyards can be enhanced with the use of Pavestone's thinner profile concrete pavers.

The 80mm thickness is suited for use in driveways, streetscapes, and industrial settings.

Giant: 11 3/4" W x 11 3/4" L Large Rec.: 5 13/16" W x 11 3/4" L

Combo Square & Med. Rectangle (Bundled Together)

Sq.: 5 13/16" W x 5 13/16" L, Med.Rec.: 5 13/16" W x 8 3/4" L

45mm = 1 3/4" H

80mm = 3 1/8" H

Verona™ Series
80mm

The new Verona™ Series showcases unique shapes and differentiating scale in a three-inch modular system.

The smaller chamfers and joints complement these different shapes with clean and crisp edges. A more urban style series, Verona™ Series modulates on an architectural twelve-inch centerline for the perfect match in the horizontal and vertical alignments.

3" W X 18" L

9" W X 18" L

18" W X 18" L

80mm = 3 1/8 " H

This product is intended for non-vehicular traffic.

Verona™ Series II 100mm

The new Verona™ Series II combines two dimensionally larger shapes with a higher level of detail and finish in the jointed surface. The smaller chamfers and joints complement these different shapes with clean and crisp edge detail.

A more urban style, Verona™ Series II brings a sense of scale and congruency to any pedestrian project seeking individual expression and design innovations.

3" W X 18" L 5" W X 24" L
100mm = 3 15/16 " H

This product is intended for non-vehicular traffic.

Villa Stone™ I Heritage™ Series 80mm

Four distinct shapes modulate together to create a random variety of design possibilities in the Villa Stone™ I Heritage™ Series.

The embossed surface textures are increasingly more popular in architectural paving material.

(Bundled Together)
Sq.: 10 15/16" W x 10 15/16" L, Sm. Rec.: 5 7/16" W x 2 11/16" L
Med. Rec.: 5 7/16" W x 8 3/16" L, Lg. Rec.: 10 15/16" W x 13 11/16" L
80mm = 3 1/8 " H

Vintage Stone® Heritage™ Series 60mm

The Vintage Stone™ product mixture delivers scale, color, and modular design options for a unique pavement expression.

The truly random pattern of Vintage Stone™ expands an infinite number of impression possibilities making it one of the most popular design tools for pavement today. The Giant Vintage Stone™ opens up the scale for more elegant designs.

Rec.: 5 13/16" W x 8 3/4" L, Sq.: 5 13/16" W x 5 13/16" L
1/2 Sq. & Sq. Bundled Together:
1/2 Sq.: 2 7/8" W x 5 13/16" L, Sq.: 5 13/16" W x 5 13/16" L
Giant Only: 8 3/4" W x 8 3/4" L
60mm = 2 3/8 " H

"The environment is where we all meet; where we all have a mutual interest; it is the one thing that all of us share. It is not a mirror of ourselves, but a focusing lens on what we can become." - Lady Bird Johnson

PERMEABLE PAVER COLLECTION

ECO **PAVESTONE**[®]
Eco-Friendly Paving Solutions

Eco-Venetian Stone™
Concrete Paver Environmental Systems 80mm

Modular square and rectangle shapes, an attractive cleft surface, and a non-industrial aesthetic set it apart from other permeable pavement treatments.

The larger scale of the Eco-Venetian Stone™ lends itself to stately residential settings and more expansive commercial applications.

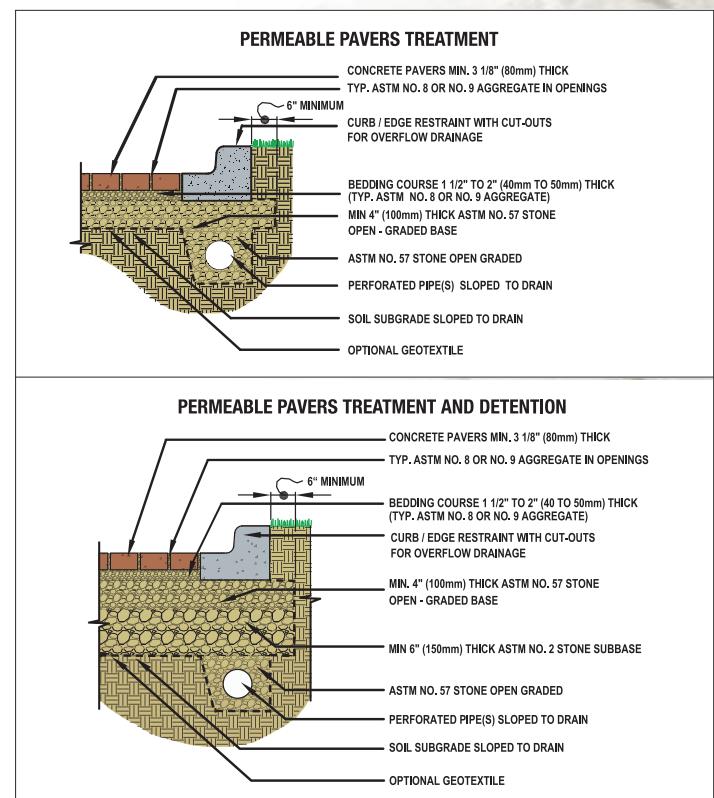

Square: 4 7/16" W x 4 7/16" L, Med. Rec.: 4 7/16" W x 6 13/16" L
Large Rec.: 4 7/16" W x 9 3/16" L, Giant: 9 3/16" W x 9 3/16" L
80mm = 3 1/8" H

The Next Generation of Permeable Paving Solutions

Who says it has to be Industrial-looking?

- Performs as a structural pavement.
- Reduces or eliminates stormwater detention.
- Provides 100% pervious surface.
- Infiltrates, filters, and decreases stormwater runoff rate and pollutant loads.
- Increases site infiltration that helps maintain pre-development runoff volumes, peak flows, and time of concentration.

Eco-Priora™

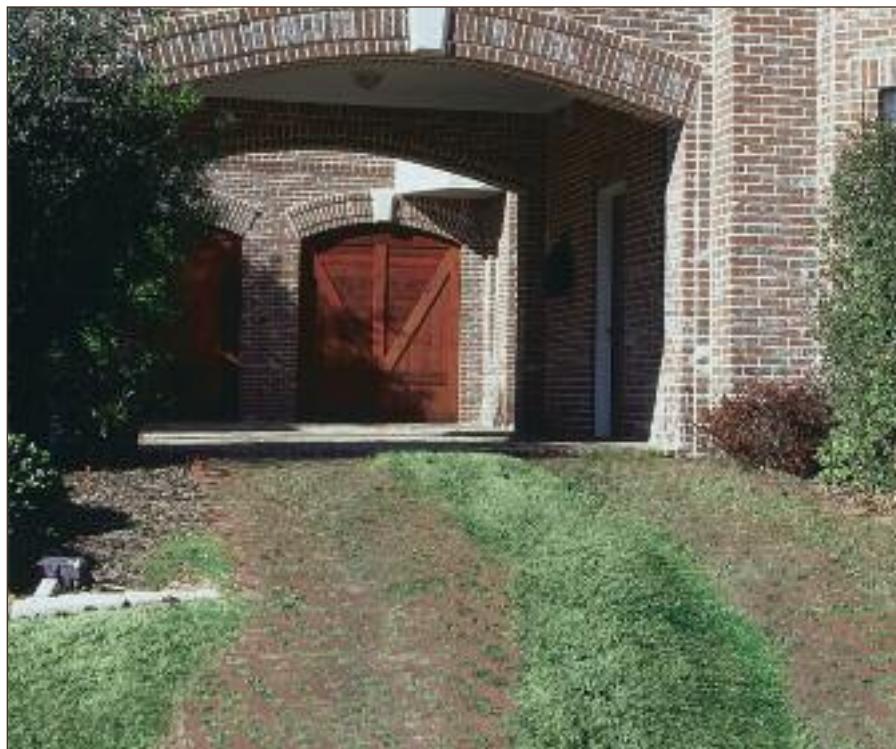

Concrete Paver Environmental Systems 80mm

Pavestone Eco-Priora™ is produced in a 120mm x 240mm rectangular module that is 80mm in depth with a patented interlocking joint and a non-chamfered top edge profile.

The unique Eco-Priora™ joint profile allows surface water to infiltrate into the pavement and its sub-layers. With initial permeability average flow rates of over 100 inches per hour, the Eco-Priora™ product, even with a clogging factor, will still meet the majority of current storm water management plans (SWMP).

4 3/4" W x 9 1/2" L
80mm = 3 1/8" H

Grasstone™ I & II

100mm & 80mm

Grasstone™ I and II are multi-functional products that can be used for slope surface stabilization and emergency vehicle access.

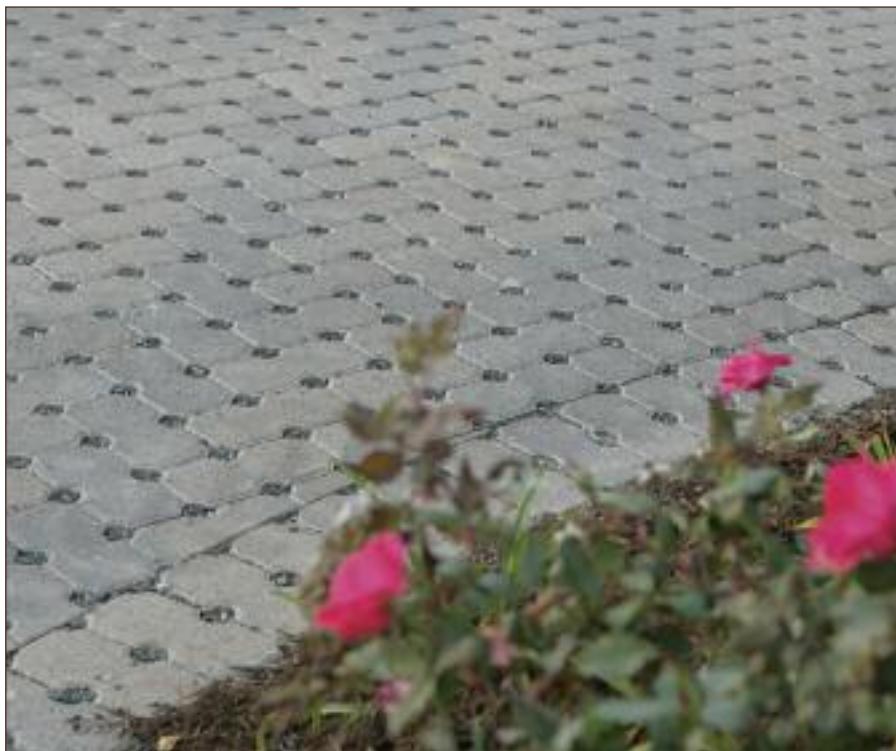

The honeycomb shape allows grass and other vegetation to grow, while making the slope, trail, or field area a more stable surface for occasional heavier duty.

GRASSTONE™ I
11" W x 22 1/16" L
100mm = 4" H

GRASSTONE™ II
23 5/8" W x 15 3/4" L
80mm = 3 1/8" H

InfiltraStone™

Concrete Paver Environmental Systems 80mm

InfiltraStone™ is a permeable pavement application and offers unique advantages over traditional pavements.

Finished installations of the InfiltraStone™ provide a matrix of surface openings designed to capture a percentage of surface water runoff and infiltrate it to the drained paving section. The end results are attenuation of runoff, increase in water quality, and mitigation of pollutant impact on the surrounding environment.

4 3/8" W x 8 3/4" L
80mm = 3 1/8" H

Uni Eco-Stone®

80mm

The patented design of Uni Eco-Stone® features funnel-like openings in the pavement surface. These openings facilitate rainwater infiltration, thereby reducing storm water runoff and maximizing groundwater recharge and/or storage.

With concern for the environment and the earth's resources at an all time high, the Uni Eco-Stone® paving system offers governing agencies, engineers, and architects an alternative to traditional pavements.

4 1/2" W x 9" L
80mm = 3 1/8" H

Chapter Two

Retaining Walls

Whether you are designing a breathtaking outdoor entertainment area, an in-ground space for a hot tub, or a special common area that can be enjoyed by many, segmental retaining walls can help you tell your story.

Get back to nature with an outdoor space that is both inviting and stylish. Utilize natural slopes of the terrain to produce awe-inspiring architectural artwork that beautify the Earth. With a wide range of shapes, colors, and textures available, you can mix and match to create unique works that enhance natural surroundings and often turn what was once unusable space into a focal point. Segmental wall systems are built to be extremely durable and resilient under even the most adverse environmental conditions. Your masterpiece will tell your story for years to come.

ANCHOR™ HIGHLAND STONE® FREESTANDING WALL SYSTEM / SIERRA BLEND

ANCHOR™ HIGHLAND STONE® FREESTANDING WALL SYSTEM & CAP / SIERRA BLEND

ANCHOR™ HIGHLAND STONE® RETAINING WALL SYSTEM / TRUCKEE BLEND

A photograph of a family of four—two adults and two children—sitting on a low stone retaining wall in front of a house. The house has light-colored siding and dark shutters. The wall is made of large, rectangular stone blocks. In the foreground, there is a garden bed filled with various flowers and shrubs. The scene is set during the day, with sunlight illuminating the house and the wall.

STOCK RETAINING WALLS COLLECTION

Anchor™ Colorado Stone™

Retaining Wall System

The beautiful rough hewn texture of the Anchor™ Colorado Stone™ Retaining Wall System delivers a natural, rock-like appearance.

It is a popular product used in residential and commercial landscape design.

11 5/8" L x 8" W x 6" H

Anchor™ Hampton Stone®

Retaining Wall System Beveled

Anchor™ Hampton Stone® Retaining Wall System is perfect for wall projects up to three feet (900mm) and higher with reinforcement.

The Anchor™ Hampton Stone® Retaining Wall System features a classic appearance and is available in a variety of colors or in a bevel face.

Beveled: 15 7/8" L x 10" W x 6" H

Anchor™ Hampton Stone Cut™

Retaining Wall System

The bold look and easy installation of Anchor™ Hampton Stone Cut™ blocks have made them the obvious choice for residential and light commercial wall projects.

Hampton Stone Cut™ face style offers a more natural appearance that increases the versatility of this landscaping classic.

15 7/8" L x 10" W x 6" H

Anchor™ Highland Stone® Freestanding Wall System

The new Anchor™ Highland Stone® Freestanding Wall System is crafted with the same earthen colors and rough-hewn texture that made Highland Stone® a top choice for retaining walls.

Straight or curved, the Anchor™ Highland Stone® Freestanding Wall is our most versatile product yet.

6" Highland FSW Front: 6" L x 9" W x 6" H Back: 4" L x 9" W x 6" H

12" Highland FSW Front: 12" L x 9" W x 6" H Back: 10" L x 9" W x 6" H

18" Highland FSW Front: 18" L x 9" W x 6" H Back: 16" L x 9" W x 6" H

Column / Corner Unit:

18" L x 9" W x 6" H

Rumbled™ Wall

Capturing the old world charm, Rumbled™ Wall invites history and tradition into the modular wall product offering.

Available in a rectangle shape, simplicity and functionalism are combined. Dry stacked or mortar set, Rumbled™ Wall is easily constructed and visually distinguishes itself from the other retaining structures.

Rec.: 16" L x 8" W x 4" H

Sq.: 8" L x 8" W x 4" H

**Anchor™ Windsor Stone®
Retaining Wall System**

The Anchor™ Windsor Stone® Retaining Wall System is the perfect complement to any residential landscape design.

The low-maintenance, easy-to-install stones are the beautiful solution for projects from gardens and tree rings to curved wall projects and terraces.

11 5/8" L x 8" W x 4" H

Anchor™ Wall Caps

For that finishing touch in architectural detail, the Wall Caps offer options to the finished design.

The smaller scale of the caps used in combination with standard stone, provides a distinctive and unique appearance in the completed installation.

Anchor™ Wall Cap #817
(3" Trapezoid Cap)
17 3/4" L x 11" W x 3" H

Anchor™ Wall Cap #819
(3" Rec.)

Anchor™ Highland Stone®
Retaining Wall System 6-inch

The newest addition of our Anchor™ Wall Series, the Anchor™ Highland Stone® Retaining Wall System 6-inch has been designed with the texture and look of natural stone.

This unique three piece system offers a hand hewn facing that accommodates a stone like appearance. With the patented rear lip, setback and alignment are facilitated resulting in faster, more reliable construction.

Highland Stone® 6"- 3 PC Combo

Lg.: 18" L x 12" W x 6" H, Med.: 12" L x 12" W x 6" H, Sm.: 6" L x 12" W x 6" H

Anchor™ Highland Stone®
Retaining Wall System 3-inch

The Anchor™ Highland Stone® 3-inch, with its rough-hewn exterior and patented rear-lip system, is now available in three-inch heights.

The Anchor™ Highland Stone® 3-inch Combo retaining wall system combines earthen tones, rich textures, and varied contours to make it a reliable alternative to natural stone walls.

Highland Stone® 3"- 3-PC Combo

Lg.: 18" L x 12" W x 3" H, Med.: 12" L x 12" W x 3" H, Sm.: 6" L x 12" W x 3" H

Anchor™ Sequent™ Highland Stone® Installation Pattern 3-inch / 6-inch Combination Multiheight Wall

Combine the Highland Stone® 3-inch and 6-inch wall systems to construct a multiheight wall with the easy-to-use Sequent™ panel installation pattern. This panel approach breaks up the horizontal lines of a typical single-height product. The repeating Sequent™ installation pattern is easy for contractors to install on a large scale in order to create a random, textured look.

Use these stones alone or mixed together to create natural stone beauty without sacrificing stability. The Highland Stone® 3-inch / 6-inch Combination multiheight retaining wall system combines earthen tones, rich textures, and varied contours to make it a reliable alternative to natural stone walls.

Highland Stone 6"- 3 PC Combo, Highland Stone 3"- 3 PC Combo

OUTDOOR LIVING COLLECTION

Chapter Three

Outdoor Living Collection

The Best Way to Enhance Your Outdoor Lifestyle.

Rekindle your outdoor living space with your choice of fireplace and fire pit designs. Large or small, elegant or rustic, Pavestone offers a variety of options to serve as a backyard focal point. Gather around a cozy fire pit for s'mores or enjoy the warmth and ambience of a grand fireplace. Combined with our seating walls and pavers, you can create an expanded living area that will serve as a favorite gathering spot for years to come.

The Pavestone Fire Pit Kits are easy to assemble... get the marshmallows ready! Our Rumbled™ Wall Fireplace Kit stacks up quickly, too. Pre-engineered FireRock masonry fireplace systems offer the structural basis for various cladding materials, including Veneerstone™ manufactured stone and thin brick. Consult your Pavestone representative for all available options for your new outdoor lifestyle.

Rumbled™ Wall Fireplace Kit Simple Construction. Quick Assembly.

Our new Rumbled™ Wall Fireplace Kit includes everything you'll need to create a bold addition to any outdoor entertainment area.

CAPABILITIES: Wood, Propane, or Natural Gas. Kit includes:

- 1 - 36" Stainless Steel Fireplace Insert
- 1 - 48" Stainless Steel Fireplace Stack
- 1 - Black Chimney Cap
- 2 - 56" Galvanized Steel (2" x 2 1/8") Angle Iron
- 231 pcs. Rumbled™ Wall Rectangles

The Fire Pit Kit will be a great weekend project that will bring the best of memories to you and your family.

Nothing compares with the simple, timeless appeal of a fire pit, whether it's a gathering place for family and friends or a calming outdoor haven at the end of a hectic day.

- 40" Outside Diameter x 16" Height
- 1- 24" Square Insert with Removable Grate
- 32 pcs. Rumbled™ Wall Rectangle

Just Add S'mores

A Pavestone Fire Pit or Fireplace Kit can turn any backyard into a favorite gathering spot.

Create a grand centerpiece to your Outdoor Living Space. The Pavestone Fire Pit Kit and Fireplace Kit includes everything you need to create a bold addition to any outdoor entertainment area.

**Fire Pit Kit w/BBQ Ring and no Cap
(For Wood Burning)**

Fire pits will bring beauty and ambiance to any outdoor living space and will provide years of pleasure to you and your family.

The smaller scale of the caps used in combination with the standard stones provide a distinctive and unique appearance in the completed installation. The fire pit kit will be a great weekend project that will bring the best of memories to you and your family.

2 layer = 44 pcs 6" Highland FSW and 1 Metallic BBQ Ring Insert
3 layer = 66 pcs 6" Highland FSW and 1 Metallic BBQ Ring Insert

**Fire Pit Kit w/Cap and no BBQ Ring
(For Gas Burning)**

Your backyard will be an oasis you'll never want to leave!

Nothing compares with the simple, timeless appeal of a fire pit, whether it's a gathering place for family and friends or a calming outdoor haven at the end of a hectic day.

2 layer = 44 pcs 6" Highland FSW and 12 Precut Caps
3 layer = 66 pcs 6" Highland FSW and 12 Precut Caps

Metallic BBQ Ring is sold separately to make the Gas Burning Fire Pit Kit into a Wood Burning Kit.

RUMBLESTONE™ COLLECTION

*Chapter Three*

Imagine. Stack. Create.

Reminiscent of our fondest childhood toys, Pavestone's innovative RumbleStone™ provides a set of rustic building blocks for your outdoor hardscape projects. Simple to complex, large or small, the possibilities for creative expression are as far and wide as that inner child's imagination.

The six tumbled RumbleStone™ sizes modulate in all dimensions and can be assembled in a variety of configurations and orientations. In addition to simple running bond patterns, the stones can be easily stacked with insets, moved forward and backward, horizontally and vertically, for more aesthetically pleasing visual relief and texture. Also, the 3.5-inch base module works with common dimension lumber for benches and pergola posts. Stack 'em up and bond with construction adhesive.

What will you create?

ACCESSORIES

KEEP YOUR PAVERS IN PLACE: The Professional Choice

EdgePro® Paver Restraint products are engineered to provide heavy-duty support for paver walkways, patios, and even driveways. Manufactured from durable vinyl material, EdgePro® will save you time and money over the following edge restraint options:

- **Concrete** - time consuming, messy, cracks over time
- **Wood Products** - doesn't curve easily, rots over time
- **Metal Products** - difficult to work with, rusts over time
- **Snip & Cut Products** - time consuming to cut for curves

EdgePro One

Rigid option available for installations that require straight lines.

Please also see our line of geogrids, weed barrier fabrics, fabric nails, edge restraint and spikes, polymeric sand, bagged rock, retaining wall cap adhesive, paver cleaners, and paver sealers.

SUREBOND OFFERS A FULL LINE OF SEALERS, CLEANERS, AND ADHESIVES

Choosing interlocking paving stones for your home is an investment that needs to be protected. Surebond Joint Stabilizing Sealer does just that by bonding joint sand and sealing the pavement surface. Bonding joint sand maintains the structural integrity of the system – stones won't move, sand won't wash out and weed and ant problems are reduced. All while sealing the surface to protect it from oil, salt and food staining, as well as, maintaining the natural color of the stone.

Features & Benefits of SB-1300 and SB-7000:

Water-Based Sealers and Joint Sand Stabilizers.

- **Immediate Application** - The ONLY sealers that can be applied IMMEDIATELY after paver installation.
- **Coverage** - An average of 100 sq ft / gallon and last 3 to 5 years Indoors and Outdoors on Old and New pavements, Concrete, Clay, and Natural Stone Paving.
- **UV Resistant** - Will not yellow.
- **Breathable** - Will not trap naturally occurring efflorescence.
- **Resists freeze** - Thaw damage and will improve surface durability.
- **Solvent Free** - Meets or exceeds all VOC and EPA standards.

Maintains joint sand height, reducing weed growth.

Maintains horizontal friction by bonding the sand between units.

Features & Benefits of SB-5000

STAINBLOCKING SEALER:

Provide the Ultimate in Stain Protection.

- **Protective** - Resists a wide variety of penetrants including water and oil.
- **VOC compliant** - 50 g/l and safe to use.
- **Environmentally friendly** - Water-based product will not harm plants or surrounding landscape.
- **Invisible** - Does not change the appearance of the substrate.
- **UV resistant and stable** - Does not yellow in sunlight and protects substrate from fading.

THE BEST THERE IS TO CLEAN AND PROTECT YOUR CONCRETE PAVERS AND SLABS

Treatment for Pavers & Slabs Benefits:

- Choice of wet look, natural look, or invisible protection
- Removes oil, rust, tar, efflorescence, etc.
- Protects against stains and makes cleaning easier
- Easy to use and very durable

Polymeric Jointing Sands Benefits:

- Stabilizes pavers - Follows movement
- Resists erosion - Water, frost heaving, wind, power washing, ect.
- Applied dry - Hardens after being misted
- Deters ants and other insects
- Inhibits weed growth

Polymeric Sand

Color Variations

As in all natural materials, color in paving stones has inherent variations. Paver color is affected by the variances in the raw materials, concrete mixture moisture content, climatic conditions, and other variations. Therefore, the colors shown are approximate representations of Pavestone's paver colors but should not be expected to be an exact match of what will be delivered.

The Nature of Efflorescence

Another cause of color variation in pavers may be the natural phenomenon called efflorescence. Efflorescence, a deposit of white salts consisting of mostly calcium carbonate, may appear as a white powder on the paver surface and in no way affects the structural integrity. This phenomenon occurs in all concrete and although it cannot be completely prevented from occurring, efflorescence generally will weather off and disappear over time or can be removed with cleaners at the job site.

NOTE: Not all colors are available in all products.

PAVESTONE, LLC. Limited Lifetime Guarantee of Quality

Pavestone, LLC hereby provides to the original purchaser a lifetime guarantee that its concrete paving stones purchased by the purchaser and installed for residential use will be free from defects in workmanship or materials given normal use and care. Concrete paving stones installed according to ICPI standards, and properly cared for that prove defective will be replaced without cost, except that Pavestone, LLC will not be responsible for labor, transportation costs or equipment costs. Warranty covers product only. Pavestone, LLC does not guaranty color matching nor does it assume responsibility for damage or defects arising from improper installation, abuse or the alteration or application of any other materials to its concrete paving stones. To obtain performance under this guarantee, the purchaser should contact Pavestone, LLC at 3490 Piedmont Ave., #1300, Atlanta, Georgia, 30305, telephone number 1.404.634.9100. This guarantee gives the purchaser specific legal rights, and the purchaser may also have other rights that vary from state to state.
